Open Space Committee Meeting

Monday, February 9, 2009

Present: Ann LeRoyer, Joey Glushko, Elizabeth Karpati, Jane Auger

Meeting called to order at 7:40 pm

No Minutes from January 7, 2009

We had a short, informal meeting because so few people were able to come to this changed date (should have been on February 4, but a conflict arose).

Mill Brook Linear Park

We discussed follow-up on this "project" and decided to set a meeting on Tuesday, March 10, 7:30 pm, in the first floor meeting room (the first date the room was available). Ann will send an email invitation to the following other interested groups, for starters—ARB, PRC, Cemetery Comm, Conservation Comm, Kevin O'Brien/Planning dept, DPW, Joe Connolly/Recreation director, and Brian Sullivan/Town manager.

Other groups identified for possible future involvement are Old Schwamb Mill, Chamber of Commerce, Arlington Land Trust, Arlington High School, Arlington Catholic High School, future owners of Brighams site... and others to be determined.

We discussed assembling maps, lists of owners/abutters, and other information for reference.

Letter to Bikeway Abutters

ABAC wants to keep a low profile, but will cosign the letter. Joey will start a draft and send it around for comments.

Menotomy Rocks Park

Jane arrived at our meeting a bit late, fresh from attending the Menotomy Rocks meeting, at which she presented the idea of working on the updated management plan. She was well received, and will identify a few people to help work on updates. She will report back in April on that plan.

Next Meeting: March 4, 2009

Adjourned 8:15 pm
